

Biography of James “JB” Thibodeaux

A man of conviction, resilience, determination, and faith, James “JB” Thibodeaux is a real estate mogul, construction Rockstar, community leader, published author, motivational speaker, dedicated father, and true visionary, who seeks to elevate opportunities, standards, and perspective for the people. He rallies for all people, especially for those in urban communities across the nation.

As the Founder and Managing Partner of CCB Construction LLC, CCB General Contractors LLC, J.B. Thibodeaux Homes & Properties, Thibodeaux Foundation, JB Thibodeaux leverages his generational construction knowledge, strong community relationships, and immense political alliances to execute his ambitious and attainable mission, **“Buying back the city...one property, one family, one neighborhood at a time”**. He empowers others to focus efforts in local neighborhoods by investing in economic development, promoting home ownership, and revitalizing distressed communities. His blueprint for success pivots on creating sustained affordable housing projects and making them accessible for the historically underserved.

An innovative thinker, with an eclectic background, James “JB” Thibodeaux is an exemplary amalgamation of humble beginnings, transcended adversity, corporate community advocacy, innovative entrepreneurship, local loyalty, and American pride. He tackles each project with enterprising intuition and manages with streamlined efficiency. With Customer Service being the primary core value and exceeding expectations being the ultimate goal, James “JB” Thibodeaux quickly identifies each client’s individual unique circumstances budget and vision. His pride lies in customizing a tailored solution for each

James “JB” Thibodeaux is the go-to person for construction and renovation for both residential and commercial projects. His qualifying background includes:

- **National Organizer/ Mortgage Consultant** with Neighborhood Assistance Corporations of America (NACA). NACA is a non-profit, HUD certified community advocacy and homeownership organization. NACA’s Mission, which is aligned with Thibodeaux’s, is to revitalize communities across the nation by providing foreclosure prevention solutions and the best mortgage resources. During his over 7 years with NACA, James “JB” Thibodeaux helped thousands of families realize the dream of homeownership.
- **American Save the Dream, National Organizer (NACA)** – As the event lead and host, he partnered with Community Leaders, Pastors, Local & Federal Politicians, over 20 banks and mortgage service providers, as well as 1,000 counselors to execute five-day mortgage financial literacy workshops across America. The event enabled real-time mortgage modifications and assistance for homeowners facing mortgage foreclosure. J.B. Thibodeaux’s hard work & service awarded him Congressional Recognition from Florida Congresswoman Corrine Brown, New York Congressman Gregory Meeks, and Texas Congresswoman Sheila Jackson-Lee.
- **Co-Author of Historic Acres Homes the 44 Book**. This must-read book serves to uplift the rich history & elderly pillars within the Acres Homes community and empower the youth. As a native Houstonian, raised in the Historic Black-designated neighborhood of Acres Homes, James “JB” Thibodeaux shares his ideology on entrepreneurship and the meaning behind his “Go-Getta Philosophy”. J.B. Thibodeaux’s writing and research was recognized by the City of Houston in 2019 where **Mayor Sylvester Turner awarded February 20 James “JB” Thibodeaux Day in Houston Texas**
- **Managing Partner of J.B. Thibodeaux Homes & Property**. Through Revitalization, Development and Restoration projects, James “JB” Thibodeaux seeks to return urban neighborhoods, like Acres Homes, to thriving and desirable communities of choice. Efforts include acquiring and repurposing dilapidated properties to eliminate eyesores and boarded structures.

Known for his tireless service and dedication, James “JB” Thibodeaux continues to be a leader in the community by coordinating neighborhood canvassing, community clean-ups and other social service events. He is diligent in carrying out the mission to educate people on the importance of faith, economic development and homeownership.

James “JB” Thibodeaux is a man with immense depth, who takes strategic risks to bring financial and social prosperity to the lives of the disadvantaged and historically underserved through sustained and accessible housing development. He is the quintessential business and real estate leader to manage your construction needs, whether small, medium, or large.
